Conscious Capitalists come from diverse backgrounds, industries, experiences, and points of view. Each orient around the tenet of Higher Purpose in a unique way but all come with the goal of elevating humanity through their efforts. Our community is leveraging the innovations and opportunities created by capitalism as a powerful tool to solve systemic problems, uplift communities, empower employees, and support efforts with both local and global impact.

By becoming a member of the Atlanta Chapter, you directly support the growth of the Conscious Capitalism Movement in your hometown and gain access to member-exclusive perks.

MEMBERSHIP INCLUDES
